

Spread the cost of your membership fees

Instead of having to find a lump sum payment each year, Fairway Credit enables you to finance your fees and repay this credit by regular Direct Debit payments.

It's flexible, hassle free and how we pay most of our regular bills these days, just like our car insurance and utility bills.

How it works:

- You can either go online to www.fairwaycredit.co.uk search for your club and then complete the application or you can fill in the application form attached to this leaflet and return it to Fairway Credit, Ermyn House, Ermyn Way, Leatherhead, Surrey, KT22 8UX or email it directly to: recourse.processing@pcl.co.uk
- Whichever route you choose to apply with, a credit assessment will take place and if approved we will send you a credit agreement to complete and return either by email or post
- We will pay your full membership fees and any extras direct to the club
- We will confirm your monthly repayment amount and the date repayments will be collected from you

What are the benefits?

- The convenience of repaying by monthly Direct Debit
- Competitive transaction fee
- Flexible way of spreading the costs
- Extras such as joining fees can be added

How much extra will I pay?

A transaction fee of 7.15% will be added to your monthly repayments, subject to a minimum credit charge of £15. A facility fee of £5 will be added to your first repayment. Charges will apply if you do not keep up the repayments.

What about renewing?

In assessing your application, we will perform credit and identity checks on you with one or more credit reference agencies ("CRAs"), as well as periodic searches at CRAs to manage your account with us. We'll supply your personal information to CRAs and they will give us information about you, including information about your financial situation and history. CRAs will supply to us both public (including electoral register) and shared information about credit, financial situation, financial history and fraud prevention. When CRAs receive a search from us they will place a search footprint on your credit file that may be seen by other lenders.

We will use this information to: assess your creditworthiness and whether you can afford the product; verify the accuracy of the data you provide; prevent criminal activity, fraud and money laundering; manage your account(s), trace and recover debts; and ensure other offers provided to you are appropriate. We will continue to exchange information about you with CRAs while you have a relationship with us, and inform CRAs about your settled accounts. If you borrow and don't repay on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs.

The identities of the CRAs, their role as fraud prevention agencies, the data they hold, the ways in which they use and share personal information, data retention periods and your data protection rights with the CRAs are explained in more detail in the Credit Reference Agencies Information Notice (CRAIN) which can be found at:

- www.equifax.co.uk/CRAIN
- www.callcredit.co.uk/CRAIN
- www.experian.co.uk/CRAIN

If your application is accepted, we will send you a welcome pack detailing our full terms and conditions and commence collection of your instalments. A credit agreement will be provided for you to sign either online or return by post and you should read this together with the pre-contract information carefully. You'll be charged £10 if we have to write to remind you to return a signed credit agreement. We may begin collecting your Direct Debits before we have your signed credit agreement to pay for any services you are receiving.

Credit is subject to status. Terms and conditions apply.
